

Crochet Roses By Eleonora Tully

Materials: Any yarn with appropriately sized hook (for the roses pictured I used Patons Smoothie DK yarn in Red and for the stems Patons Merino Extrafine DK in Apple Green (173), with a 4.00mm hook), craft wire (for the stem), scissors and yarn needle.

Abbreviations: ch: chain, ch-sp: chain space, cm: centimetres, mm: millimetres, rep: repeat, RS: right side, ss: slip stitch, st(s): stitch(es), tch: turning chain, tr: treble.

Pattern Notes: UK crochet terminology is used. There are two versions of the rose to crochet. The first is for a shorter rose perfect for attaching onto things or making a brooch as it is flatter. The second is for a deeper rose, more life-like, and perfect for making the free standing rose with the stem.

To Work:

Shorter Rose (good for attaching onto garments or as a brooch)

Make 45ch

Row 1 1tr in 4th ch from hook (counts as 1st and 2nd st), 1tr in next st, *1ch, miss 1 st, 1tr in next 5 sts, rep from * 5 times, 1ch, miss 1 st, 1 tr in each of final 3 sts, NO tch, turn

Row 2 (RS) (7tr in next ch-sp, miss 2 sts, 1ss in next st) 7 times, fasten off leaving a 30cm tail of yarn

Taller Rose (good for a self-standing rose with stem as pictured)

Make 37ch

Row 1 1tr in 4th ch from hook (counts as 1st and 2nd st), 1tr in each ch to end (35 sts), 3ch, turn

Row 2 1tr in same st as tch, 1tr in next st (1ch, miss 1 st, 2tr in next st, 1tr in next 3 sts) 6 times, 1ch, miss 1 st, 2tr in next st, 1tr in final st, NO tch, turn

Row 3 (RS) (7tr in next ch-sp, miss 2 sts, 1ss in next st) 7 times, fasten off leaving a 30cm tail of yarn

To Complete (for both Roses):

Roll the rose with RS facing outwards and using 30cm tail of yarn sew the rose into position and use the remaining yarn to attach it wherever you like.

To work Stem:

Make 45 ch,

Place next to craft wire (I used a 22cm length of wire for each stem)

ss into 1st ch from hook going under craft wire to ensure wire is encased in sts,

ss in next ch going over craft wire

Continue with 1ss in each ch to end alternating between going under then over craft wire so it is incorporated into the stem as shown above.

To Complete:

Thread end of craft wire into the rose and sew into place

One rose made... make lots or make one! Attach them to anywhere you like- maybe as a brooch, maybe as a hair clip, the possibilities are endless!

Enjoy...
