

Mistletoe Garland - By Eleonora Tully

Materials:

- 'Scheepjes Catona' 4ply (100% mercerized cotton, 25g/62.5m) 1 ball of each: **Yarn A** Apple Granny (513) and **Yarn B** Snow White (106).
- A 2.5mm hook or hook size to suit yarn used
- Scissors, yarn needle

Abbreviations: **Bobble:** see instructions below, **ch:** chain, **dc:** double crochet, **dc2tog:** double crochet two stitches together, **htr:** half treble, **mm:** millimetres, **ss:** slip stitch, **st(s):** stitch(es), **tr:** treble, **yrh:** yarn round hook

Bobble: To work a bobble leave Yarn A on the hook and continue with all the following in the next ch using Yarn B (yrh, insert hook into ch, yrh and pull up a loop, yrh and draw through 2 loops) 5 times, there should now be 1 loop in Yarn A and 5 loops in Yarn B on the hook, using Yarn A, yrh and draw through all 6 loops on hook (bobble made).

Tension: Tension is not critical for this project.

Pattern Notes: UK crochet terminology is used. (UK to US conversions: dc = sc, htr = hdc, tr = dc)
When working into the chains go under top strand only

To Work:

Using Yarn A, *make 14ch, 2dc in 2nd ch from hook, 1htr in next ch, 1tr in next ch, 1htr in next ch, 2dc in next ch, 1ss in next ch, repeat from * until the garland is desired length.

Working back along garland, continue with *1ss in next 7 ch, 9ch, inserting hook into 2nd ch from hook work dc2tog over next 2 ch, 1htr in next ch, 1tr in next ch, 1htr in next ch, dc2tog, 1ss in next ch, make a bobble using Yarn B in ch at base of opposite leaf (the same ch which the final ss was worked into at the end of the opposite leaf), repeat from * to start of garland making sure the first ss is tight to secure bobble in place.

You can vary the garland as you go... by not doing a bobble and therefore working a ss into ch instead, you can miss a leaf and just continue working ss along to next leaf. Maybe add a leaf somewhere else... be creative!

Fasten off, weave in ends and enjoy!
